Member 3	Abel Woldemichael	33
Member 4		
Total	-----	100%

Presentation and project report

	Name	% contribution
Member 1	Brad Wilfong	35
Member 2	Matthew Schneider	33
Member 3	Abel Woldemichael	32
Member 4		
Total	-----	100%

Coding

	Name	% contribution
Member 1	Brad Wilfong	33
Member 2	Matthew Schneider	33
Member 3	Abel Woldemichael	33
Member 4		
Total	-----	100%

Comments: (Please provide in detail and be as specific as possible about why you listed the above numbers)

I believe we had a strong team that collaborated effectively and treated each other with respect. While some members may have dedicated extra effort to certain topics, the rest of us helped by taking on additional responsibilities in other areas. Overall, I think we worked well together, which is why I assigned the points I did.
